DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents**Non-Responsive Amendment (Bonafide)**

The reply dated 3/23/07 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):

Applicants did not properly indicate which of the newly added claims (e.g., 58-63) are readable upon the elected species in accordance with MPEP § 809.02(a) (e.g., see 2/8/06, paragraph 13, "If claims are added after the election, applicant must indicate which are readable upon the elected species"). For example, Applicants stated that claims 23-26 are generic to their subgroup 4 but this is in error. Claim 23 depends from claim 20 and thus, at a minimum, claim 20 would also have to be included in the list. Furthermore, no mention is made of the newly added claims (e.g., see 3/23/07 Response, page 16, paragraph 4). An accurate list is respectfully requested.

The examiner also notes that the appropriate fees must be paid to extend the time period for response.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE(1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner Jon D. Epperson, Ph. D., Art Unit 1639, whose telephone number is (571) 272-0808.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (571) 272-1600.

Jon D. Epperson Ph.D.
Patent Examiner
